

**ASSEMBLY BILL**

**No. 1545**

---

**Introduced by Assembly Member Gray**

January 23, 2014

---

An act to amend Sections 11106, 27570, and 28000 of, and to add Section 27965 to, the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

AB 1545, as introduced, Gray. Firearms: ownership.

Existing law generally regulates the ownership and transfer of firearms. Existing law requires the Attorney General to maintain a registry of specified information concerning the sale, lease, or transfer of firearms, and to include in the registry specified data provided to the Department of Justice. Existing law also authorizes a person who is exempt from specified registration requirements or who moves out of state to report information regarding the acquisition, ownership, destruction, or disposal of a firearm to the Department of Justice in a format prescribed by the department.

Existing law also requires every firearms dealer to maintain a register or record of electronic transfer of firearms, except as specified, in a form prescribed by the department, including, among other information, the name, occupation, and gender of the purchaser. Existing law requires both parties to the sale, loan, or transfer of a firearm to complete the transaction through a licensed firearms dealer, as specified, if neither party to the transaction holds a dealer's license.

This bill would create an exemption from this requirement to complete a firearms transaction through a licensed dealer for a person who reports his or her ownership of a firearm to the department. The bill would require the department to register the firearm within 30 days of the

receipt of the report, subject to specified restrictions. The bill would also apply those restrictions to a person who is exempt under existing law from the requirement to complete a firearms transaction through a licensed firearms dealer or who moves out of state with the firearm.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.

*The people of the State of California do enact as follows:*
